SHE IS SO PERFECT MOVIE PRESSKIT

DIRECTOR STATEMENT

She is so Perfect is a window into some of the Shanghainese, and young Chinese's women psyches.

The story is written by Camilla Wang in collaboration with Chinese students from the Istituto Marangoni Shanghai.

For living in China for 9 years now, I was really inspired by this story and happy to share this vision of China, I also added my own perspective to this film by adding a small twist ending in the writing.

This film is co-produced with the Istituto Marangoni in Shanghai and a majority of the crew member was students, mostly Chinese girls, only the post-production and gaffer was Russian and French.

Our film is finally starting to hit festivals around the world, and we hope that our audience will also be inspired and equally passionate about this film.
